In a recently published article (1), there are two errors in the publication. The corrections are as follows:

1. Affiliation Correction

The affiliation of the first author was incorrectly stated. The correct affiliation is:

National Higher School of Electricity and Mechanics (ENSEM), Hassan II University of Casablanca (UH2C), Casablanca, Morocco.

2. Submission and Acceptance Dates Correction

The originally published submission and acceptance dates were incorrect. The correct dates are:

Received: December 20, 2020

Accepted: January 23, 2021

We apologize for any inconvenience this may have caused.

Alireza Olyaeemanesh
